We dedicate the 1952 Topic to the spirit of Jeffersonville High School. May it never fail to be as it has always been, gay and determined. Upon completion of your four years of study, you will find that a certain amount of this traditional spirit has injected itself into your personality.

Here we introduce our little devil, who represents this spirit.

He represents your other self;
He appears throughout this book.
He does some things you may have done
So take a "gander."

Office Crew

Superintendent, Harold F. Shulte and his secretary, Mrs. Claude Musselman.

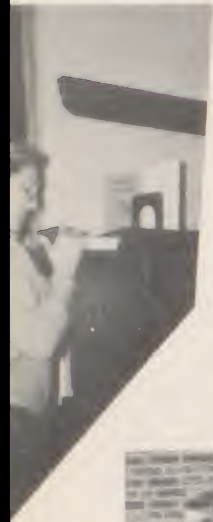

We are members of a very privileged minority. Only a small per cent of the world's population may attend or teach in a school of their choice. We have become so accustomed to accepting this great privilege that we often fail to realize the price that has been paid and is still being paid or make this possible.

A privilege so rare and priceless is a gem to cherish and treasure so that it may be passed on to future generations as perfect as it was given to us.

Your Track Team

From winter's cocoon we spring swift and light;
Running and leaping is our special delight.

COACH
John Brogan

During the season of '51 we suffered only two losses, to Manual and Male of Louisville. We romped handily to victory over our other opponents, Madison, K. M. I., Flaget, and Silver Creek. We emerged victorious over Charlestown and Scottsburg in a Triangular Meet and attained tenth place among twenty-two teams competing in the Petersburg Relays. At the sectional meet in New Albany, we won third place among twelve teams.

Outstanding point-makers in our ranks were Jim Ashton, "Buddy" Taylor, E. B. Combs, Kenneth Musselman, and Don Smith. Smith set a new regional record of 50' 4" in the shot put, and at the State Meet he finished fourth.

FIRST ROW, LEFT TO RIGHT: David Mudd, Charles Bryson, David Thompson. SECOND ROW: Charles Bliss, Kenneth Musselman, Leslie Taylor, Jerry Pike, Donald Smith, James Ashton, E. B. We are the ones who yell and scream;
To boost our teams we try;
With the aid of teamwork we form the "J"
That stands for old Jeff High.

See If You Can Find Her

There isn't enough room for the names of the members of the PEP CLUB, pictured above. You may have more fun trying to find and identify each girl yourself, anyhow.

The Pep Club, as it functioned this year, is a new feature of life at Jeffersonville High School. The red "J" on the white back ground is one example of the spirit of this club which endeavors to boost good sportsmanship among the student body.
